Erica - It looks like Pam May be out today. Do you happen to have any insight here?

Hi, Pam – The Poarch Band of Creek Indians has confirmed that they are interested in consulting with us on both aspects of Florida's assumption request (general/CWA and NHPA). We'd like to have a couple of options to offer when we reach out, but I'm not identifying any good blocks (1.5 hours) on Jeaneanne's calendar. We're trying to move quickly on setting these up, as time is tight. Can you provide an option or two that we can offer and put a hold on?

Thank you,
Rosemary
